

Pickleball Flights at ETC

What is a Pickleball Flight at ETC?

First and foremost, it's FUN! Each week of the month you get two hours of organized, level-based match play. What exactly does that mean? We'll assign you a court, provide partners, opponents and balls for each game. A flight attendant (instructor) will be on-site, helping to keep things running smoothly.

Why join a flight?

You will better your pickleball game through consistent play with competitive matchups, and build up your pickleball playlist. Guaranteed, recurring court time with ready-made games.

Fasten your seatbelt and enjoy the flight!

What ETC Pickleball Flight is right for me?

2.0 – 2.5 Flight Participants can:

- execute basic shots (forehand, backhand, volley, serve)
- keep a basic rally
- understand the rules of pickleball and how to keep score

3.0 – 3.5 Flight Participants can:

- execute the 2.0 – 2.5 flight skills listed above
- hit dinks and drop shots
- hit drives, serves, and returns with pace
- execute backhand shots
- use knowledge of different pickleball strategies to vary tactics including:
 - changing between hard and soft game
 - moving quickly to the Non-Volley Zone line when opportunity allows.
